Please visit our website for details on Sponsorship Opportunities

The Seventh Annual Jordan Smelski Foundation Golf Tournament is held in memory of Jordan Cole Smelski. Jordan passed away on July 2, 2014 to primary amoebic meningoencephalitis (PAM). He was 11 years old. Jordan contracted the amoeba *Naegleria Fowleri* from swimming in hot springs in Costa Rica while on vacation. PAM is 97% fatal, yet 100% preventable.
