Program

Dedication to Jordan

Jordan your personality is larger than life, your smile electrifying; we love and miss your laugh and sense of humor. You have such an amazing ability to communicate through your writing and we treasure your wonderful insight. The love that you shared and expressed for your family and friends will never be forgotten and will live on in our hearts forever.

As your parents we were blessed by your presence for 11 ½ years and we long for more. We are so proud of your accomplishments and couldn't have asked for anything more from you.....except more time. We loved watching you grow, play, learn and we miss you every minute of every day.

As you were our purpose while you were here with us, you still remain our purpose. Our "new" mission is to honor your legacy each-and-every day and do all things possible to drive awareness and try to save other children and families from this devastating amoeba. We know you're watching over us from above, at the daily tasks we do and let there be no doubt that it is all for the love we will always have for you!!

About the Foundation

The Jordan Smelski Foundation for Amoeba Awareness was established in loving memory of Jordan Cole Smelski who passed away from Primary Amoebic Meningoencephalitis (PAM) on July 2, 2014.

Our mission is to create global awareness about the risks associated with amoebas in fresh warm water and educate families and medical communities about the risks from PAM.

Special Thanks

After such difficult years in 2020 and 2021, we would like to thank all our family members, Board Members and friends who have helped make these golf events such a success. Together we have raised over \$109,000 for research, funded education and training videos and promoted awareness. Without all of *you*, this day would not have been possible. While we still struggle each day, we try to live by Jordan's motto *"When life gives you lemons, squeeze them back in life's eyes, this means never give up!"* We are thankful for the opportunity to honor Jordan's memory, in our mission to drive awareness, to spur change in healthcare treatment plans, fund research and to try to save more lives.

We would also like to thank all our sponsors for helping to support Jordan's Foundation in this year's golf tournament, helping raise funds for amoeba awareness, educational training, and research. Without your commitment and generosity, the foundation would not be able to make an impact.

Finally, we would also like to thank all the golfers who have participated in Jordan's Seventh Annual Golf Tournament! Without you, this event would not have been possible. Your support and commitment in attending today is most appreciated and we won't forget your generosity.

We miss Jordan immensely, more than we can ever explain, and we honor the memory of him by dedicating our efforts toward Amoeba Awareness. We don't want any other parents and families to have to go through this loss because of the lack of knowledge around the amoeba *Naegleria fowleri* and the devastation it can bring.

Rules

Scoring – This is a team scramble event, which means everyone hits a tee shot and the team plays from the best shot location of all the drives. Teams may move the ball one club length from the selected shot, but the ball must remain in the same state (in the fairway, in the rough, in the sand) you cannot improve the state of the ball. Then everyone hits the next shot and the team plays from that best shot location and so forth until the ball is in the cup. If after all 4 players have hit and there is an undesirable result, anyone can use one “mulligan” and hit another shot. A mulligan can only be used once. Everyone received one mulligan with their golf registration. Players may purchase up to 2 additional mulligans at registration for \$10 each.

****The worst score a team can take is a bogey** – or one over par. If the team score is equal to par for that hole and the ball is not in the cup, you do not have to putt out for a bogey score. Just pick up the ball and move on to the next hole.

Each team must record their hole score on the scorecard after each hole and then turn in the scorecard after finishing the round.

Spirits Putting Contest – Every golfer receives a green ticket for one putt. The contest will be held on the putting green closest to the Par-Take/Starter building. Each golfer will be putting at a bottle of Spirits of their choice. If their ball hits the bottle, they win the bottle (only one bottle per putt) **or select a prize**. Your name will be written on the bottom of the bottle, or prize, you can then pick up the bottle during lunch. No bottles may be taken out on the course during play. Contest is from 7:00 A.M. till 7:50 A.M., then as teams come to 8th Tee, players may putt during play, while supplies last. You may purchase more tickets for \$10.

Closest to Pin Contests – After hitting first tee shot on the green, measure distance from the hole and write on marker. **Cannot use a mulligan for closest to pin prize**, ball must land on the green.

Longest Drive Contest – Place name on marker after hitting initial drive in the fairway. **Cannot use mulligan for longest drive.**

Prizes
