**Eleventh Annual
 Jordan Smelski
 Foundation
 Golf Tournament**

Hosted by the Jordan Smelski
 Foundation for Amoeba Awareness

**Golf tournament hosted at the
 Rosen Shingle Creek**

About The Event

The Eleventh Annual Jordan Smelski Foundation Golf Tournament is held in memory of Jordan Smelski.

Jordan passed away on July 2, 2014 to primary amoebic meningoencephalitis (PAM). He was 11 years old. Jordan contracted the amoeba *Naegleria fowleri* from swimming in hot springs in Costa Rica while on vacation. PAM is 99% fatal, yet 100% preventable.

*All proceeds go toward amoeba awareness, training, and research. The Jordan Smelski Foundation will partnered with AdventHealth again, to present the 5th Amoeba Summit, to be held in Tampa, FL and funding research with Purdue University on 3-drugs for possible future treatment of *Naegleria fowleri* and PAM.
