## Dedication to Jordan

Jordan your personality is larger than life, your smile electrifying; we love and miss your laugh and sense of humor. You have such an amazing ability to communicate through your writing and we treasure your wonderful insight. The love that you shared and expressed for your family and friends will never be forgotten and will live on in our hearts forever.

As your parents we were blessed by your presence for 11 ½ years and we long for more. We are so proud of your accomplishments and couldn't have asked for anything more from you.....except more time. We loved watching you grow, play, learn and we miss you every minute of every day.

As you were our purpose while you were here with us, you still remain our purpose. Our “new” mission is to honor your legacy, each and every day, and do all things possible to drive awareness and save other children and families from this devastating amoeba. We know you're watching over us from above, at the daily tasks we do and let there be no doubt that it is all for the love we have for you!!

## About the Foundation

The Jordan Smelski Foundation for Amoeba Awareness was established in loving memory of Jordan Cole Smelski who passed away from Primary Amoebic Meningoencephalitis (PAM) on July 2, 2014.

Our mission is to create global awareness about the risks associated with amoebas in fresh warm water and educate families and medical communities about the risks from PAM.

## Special Thanks

After such a difficult year in 2020, we would like to thank all of our family members, Board Members and friends who have helped make these golf events such a success. Together we have raised over \$105,000 for research, funded education and training videos and promoted awareness. Without all of **you**, this day would not have been possible. While we still struggle each day, we try to live by Jordan's motto ***“when life gives you lemons, squeeze them back into life's eyes, this means never give up”!*** We

are thankful for the opportunity to honor Jordan's memory, in our mission to drive awareness, to spur change in healthcare treatment plans, and endeavor to save more lives.

We would also like to thank all of our [sponsors](#) for helping to support Jordan's Foundation in this year's golf tournament, helping raise funds for amoeba awareness, educational training and research. Without your commitment and generosity, the foundation would not be able to make an impact.

Finally, we also like to thank all of the golfers who have participated in Jordan's Sixth Annual Golf Tournament! Without you, this event would not have been possible. Your support and commitment in attending today is most appreciated and we will won't forget you.

We miss Jordan immensely, more than we can ever explain, and we honor the memory of him by dedicating our efforts toward Amoeba Awareness. We don't want any other parents and families to have to go through this loss, because of the lack of knowledge around the amoeba *Naegleria fowleri* and the devastation it can bring.
